Simple Food's Soynut Butters

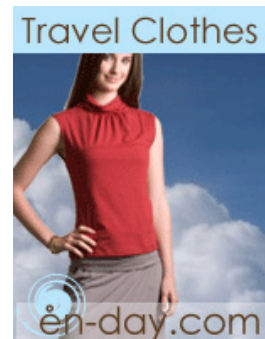

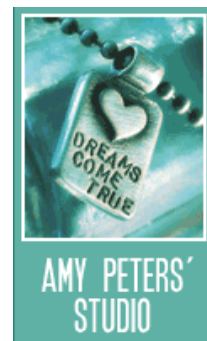

Yummy! Boy did I find the best thing ever for you guys who may have nut allergies. These [soynut butters](#) have the look, texture and scent of peanut butter, and in a sandwich (like, in my fave with jelly on wheat) it even tastes like peanut butter with its "nutty" taste. Completely organic (no yucky pesticides) and made in a factory that is peanut-free and tree nut-free. They're also gluten-free, vegan and kosher. Plus, soynut butter is just better for you (a.k.a. healthier) over peanut butter! Comes in 5 delicious flavors: No sugar/no salt, sea salt, slightly sweet, cinnamon sugar, and chocolate. And isn't the labeling adorable? \$4.99 - \$7.99 at Simple Food.

Winner of our contest to be announced.
